Gavel Games Details

Objectives
1. Objectives for the 4-H Gavel Games event are for 4-Hers to learn the life skills of:
   - Conducting an effective business meeting.
   - Using an agenda to organize a meeting.
   - Reporting accurate committee and officer information.
   - Discussing issues in a meaningful manner.
   - Implementing proper parliamentary procedure to reach equitable group decisions.
   - Working as a team.
2. These skills encourage youth to become more efficient in their ability to use parliamentary procedure effectively in the formal part of their club meetings, which in turn strengthens the club and serves as a model for other members.

Time Limit
1. The time limit for the oral presentation is 30 minutes including planning time. A maximum of 5 minutes of the presentation time may be used for team members to plan their presentation.
2. Judge will deduct one ribbon placing if time is exceeded; 30-second grace period.
3. The written test portion of the competition is untimed and is scheduled 30 minutes prior to the scheduled start of the oral presentation. Readers or other accommodations should be provided for participants who have special needs related to taking the written test.

Equipment and/or Facilities Provided by Event Monitors
1. A suitable place will be provided for the written test and be supervised by an adult room monitor.
2. Copies of the written tests. Should not be identical to the practice tests.
3. Pencils will be provided for the test.
4. For the oral presentation, a table, chairs, flags, and a gavel will be provided. Each team member will be provided a pencil and a copy of the Gavel Games Agenda and the Gavel Games List of Parliamentary Procedures.
5. Subjects for the drawings.
6. Timer and timekeeper.
7. Clean copies of the agenda and Gavel Games list of procedures.

Equipment Provided by Participants
1. Participants must bring any committee reports, officer reports, or correspondence needed for their oral presentation.
2. Participants may not bring in previously completed agendas or lists of parliamentary procedures.
Guidelines

1. Teams will have four or five participants who assume the following roles:
   - President, Vice-President (program chairman), Secretary, Treasurer
   - If there is a fifth participant, that person will serve as a club member.
2. There will be the following divisions:
   - Junior: ages 7-9
   - Intermediate: ages 10-13
   - Senior: ages 14-18
3. The age of the oldest member determines the age division of competition.
4. Performers should recognize this is a family event and choose costumes, themes, and performances that show respect for both the performers and the audience.
5. All participants will be judged on their presentations. The presentation time should be balanced among participants as much as possible.
6. Each participant will take a written test and total of the top four test scores will count toward the final score.
   - There are two tests. One test is given to Juniors and Intermediates. The second test is for the Senior divisions.
   - Copies of the tests can be found in the Appendix. Coaches may hand out copies for use as a study guide. Questions may be reworded or reordered for the actual competition.
7. The general outline of the presentation should follow the Gavel Games Agenda, which can be found in the Appendix.
8. The presentation will be scored according to the Gavel Games Score Sheet, which can be found in the Appendix.
9. The only items that can be used during the oral presentation are listed above as equipment provided by the team and/or event monitors.
10. The team has five minutes of the 30-minute presentation time to share information on how to do motions and annotate agenda and parliamentary procedure sheets with helpful notes. Each member of the team will be expected to participate during all parts of the presentation.
11. Teams will draw for a topic and base their presentations and motions around that topic.
   - Just before each team begins their planning time at the beginning of their presentation, one team member should draw three topics.
   - The team is allowed to consider all three of the topics during their planning time.
   - Prior to beginning their presentation, the team should return the topics to the judge(s), indicating which topic they have selected for their presentation.
   - The unused topics are returned to the pool for other teams to draw from. The selected topic is not returned to the drawing pool.
   - There must be at least two more topics in the pool than the total number of teams participating to allow the final team to have a selection. If possible, try to have four more topics in the pool to assure the final team has equal opportunities to draw from a variety of topics.
12. Junior teams will be scored for only their first ten parliamentary procedures.
    Intermediate teams will be scored for the first fifteen procedures. Senior teams will be scored for the first twenty procedures.

The 4-H Gavel Game is fun, exciting, and educational.
Gavel Games Coaching Hints

1. Gather your four or five team members and schedule five or six practice times.
2. Review all four officer books and The Meeting Will Come to Order. Also review any other materials necessary to be confident you are ready to lead your team. A list of resources is available in the Appendix.
3. At the first meeting, have the youth determine a name for their team.
4. Also at the first meeting, pass out copies of The Meeting Will Come to Order and the officer books for their respective offices.
5. Notes on coaching the President.
   - The President remains standing throughout the business portion of the meeting.
   - Be aware that the president has a very difficult job guiding the meeting transitions in a smooth and easy manner. Be sure the president gets lots of practice in voicing the meeting transitions and transitions between motions and parliamentary procedures.
   - The president will be judged on the correct use of the gavel. Refer to So You Are the President of Your Club for specific rules on using the gavel.
   - All members need to review the rules for the proper use of the gavel so they can respond appropriately when the president uses the gavel.
6. Give the youth a problem to practice with such as:
   - You want to have a picnic next Sunday afternoon.
   - The club should have a float at the county fair parade.
7. The team discusses the idea and applies the appropriate parliamentary procedures to the idea. The more they play with the procedures, the more confident they become when they use them. Check the Appendix for more resources as questions arise.
8. Review the process of making a motion:
   - One person stands, is recognized by the president, and makes a motion about an idea for the club.
   - The President restates the motion and asks for a second.
   - Another person stands, is recognized by the president, and seconds the motion.
   - The president states the motion again and asks if there is any discussion.
   - During discussion, all of the subsidiary motions are performed.
   - The president restates the motion and calls for the vote.
   - The president tells the members how to vote such as rubbing their nose, raising their hands, etc.
9. It is fun to think up a list of twenty or thirty different ways for a vote to be performed during an early practice session. This gives the president a wide variety of fun voting methods and makes the presentation more interesting to watch and perform.
10. Remind the gavel games group that all members of the group are judged on the balance of participation in the performance. The goal is for everyone in the group to learn as much as they can about parliamentary procedures so they will perform correctly as a group.
Effective Discussion for 4-H Meetings

Effective discussion is an important part of all 4-H meetings. Effective discussion encourages creativity and assures that potential problems are brought to light before a motion is passed and a course of action determined. Effective discussion gives all members a chance to voice their thoughts in a neutral and encouraging environment. But, effective discussion doesn’t just happen – it has to be planned, encouraged, and nurtured.

The President has a primary role in promoting effective discussion. Key elements are:

1. Remaining neutral.
   - While leading the meeting, the President, the President should not show his or her own preferences. Showing preferences discourages all members from voicing their honest thoughts and opinions.
   - Neither should the President allow any one set of opinions to dominate the discussion. Shy members will not speak up unless they feel they are in a safe environment and it is the President’s job to make sure that environment exists.
   - Reasonable disagreements are part of discussion and are often a sign of a healthy club meeting. The President’s job is to make sure the disagreements are handled using the tools provided by parliamentary procedure without showing favoritism to one side or another.

2. Making sure all members are heard.
   - All members have a right to be heard. It is the President’s job to encourage this.
   - In addition to providing the neutral environment so that all members feel safe, the President often must go beyond that. The President must make sure that no one member or side controls the discussion and make efforts to see that all members have a chance to speak.
   - When members are speaking, the President should control the meeting so that everyone can be heard. Don’t allow other members to talk among themselves or speak when they have not been recognized by the chair.
   - On the other hand, the President must be polite to everyone. Control the members who are most eager to speak with tact and consideration. They should be applauded for their enthusiasm. If a President is harsh or impolite to any member, it will have a chilling effect on all members.

3. Control distractions.
   - Encourage latecomers to enter the meeting room quietly and be seated without allowing them to cause unnecessary interruptions.
   - Make the meeting environment as usable as possible. There should be enough space, an appropriate temperature, and sound control.
   - Make sure only the member recognized by the chair is speaking.
Members also have a role in promoting effective discussion. Key elements are:

1. Voice your opinion.  
   It is your duty as a club member to be involved in the decision making process and to contribute your ideas and questions.

2. Wait to be recognized by the chair.  
   Don’t interrupt the chair or other members.

3. Respect the opinions of others.  
   Disagreement is okay; being inconsiderate isn’t.

4. Make everyone feel safe.  
   Encourage everyone to speak, even if they might not agree with your position.

Areas Being Judged In A Gavel Games Presentation

2. How creative and complex were the discussions and parliamentary procedures applied to the motions.
3. How well the team followed the agenda.
4. How accurately the parliamentary procedures were performed.
5. How well the President used the gavel and presided over the presentation.

Sample Subjects for Draws

Event organizers should come up with a fresh list for each competition using these patterns and making substitutions. This will prevent teams from being able to develop a script in advance as each draw for each competition will be unique.

Each team will draw three possible subjects, select one, and return two. The two returned will be added back to the pool for possible selection by another team. The subject selected will not be returned to the pool so that judges see that subject presented only once among the teams being judged.

Note to event organizers: Have a total number of subjects in the drawing pool that is equal to the number of teams competing plus five. This will assure that the final team has at least six slips to draw from. The drawing pools for each age category (Junior, Intermediate, Seniors) should be separate.

Junior Sample 1: Discuss a club trip to the zoo during New Business.
- Possible substitutions: to Rock Springs, to a farm, to a local business

Junior Sample 2: Discuss a community service project to help a local nursing home during New Business.
- Possible substitutions: to help a school, to help a park, to help a needy family

Intermediate Sample 1: Discuss plans for group entries for 4-H Day during New Business:
- Possible substitutions: a club project tour, a club exchange with another club

Intermediate Sample 2: Discuss plans for a community service project involving fundraising for a local charity during New Business.
- Possible substitutions: doing maintenance, doing clean up, volunteering as a buddy

Senior Sample 1: Discuss plans for a community service project for the Christmas Bureau that also involves the club doing a fundraiser to pay for the project.
- Possible substitutions: County 4-H Council, scholarships for camp; State 4-H Foundation, contacting Foundation members

Senior Sample 2: Discuss at least three options for using junior leaders to arrange for programs at club meetings involving community service.
- Possible substitutions: present programs, judging teams; meet with community leaders, 4-H promotion; plan a club banner for the fair, all club members
