

2020-2021 Adjusted Membership Pin Requirements

Johnson County 4-H

The 2020-2021 year has been a year of adjustments for all of us. Membership pins are designed to recognize youth for achieving that level of participation in the 4-H program and encourage youth to set and meet goals. Thus, the membership pin requirements have been adjusted for the 2020-2021 year to reflect the efforts put forth by 4-H'ers to demonstrate resiliency and creativity to meet their goal.

This is not a competitive process. All youth who complete an application and whose application is judged as complete will receive a recognition pin.

Notes:

- Membership pin applications should be submitted to your Club Leader by the established deadline.
- Find the links to the membership pin application at <https://www.johnson.k-state.edu/4-h/forms-resources/record-books.html>.
- Participation in events that was offered in a modified manner (virtually, drop-off, etc.) can be used to demonstrate your engagement for the 2020-2021 year. Examples: Delivering a project talk through zoom.
