## Memorandum of Agreement

- I wish to become an Extension Master Food Volunteer (EMFV) in Johnson County and will attend the EMFV training program to be held by K-State Research and Extension. I am able and willing to travel to all trainings.
- I understand that in exchange for the training, I will volunteer at least 40 hours of my time by providing or assisting with educational programs in the areas of food safety, food science, food preparation, food preservation, and/or nutrition education within one year of completing the training.
- I understand that I will become an Active EMFV member when I complete the required training and volunteer hours.
- I understand that I may not participate in the EMFV program for a personal gain or for commercial/professional purposes.
- I understand that because of the potential of working with youth and to be covered under K-State Research and Extension liability insurance, I will complete a Volunteer Information Profile and agree to a reference/background check (if working with kids).
- I understand that I will work under the supervision of a county extension agent and will provide educational programming that supports the research-based mission of K-State Research and Extension and the EMFV program.
- I attest that I am a resident of Johnson County and I have obtained a minimum of a high school diploma or equivalent.
- I commit to share my passion for food and/or nutrition and engaging with others thru various EMFV projects and events.
