Happy Helpers 4-H Club Connects at Evergreen Community

By: Nathan Delancy, Happy Helpers 4-H Club Reporter

Members of the Happy Helpers 4-H Club connected with residents at Evergreen Community in Olathe through a program on Thursday, May 21, 2026. The variety show performance included violin, piano, recorder, and vocal solos as well as a variety of oral interpretations. The program was well attended by residents at Evergreen Community who asked many questions after the program. Members were able to share about the variety of different 4-H projects they are involved in. Many of the residents expressed appreciation for the program and encouraged the members to continue developing and sharing their art. The Happy Helpers 4-H Club enjoyed sharing their talents and having an opportunity to interact with the residents at Evergreen Community.

The Happy Helpers 4-H Club brought a program to residents at Evergreen Community.

Graduation Dog Show

By: Brooklyn Walters, Johnson County 4-H Dog Club Reporter

On Saturday, May 23rd we had our annual graduation dog show at the fairgrounds. We did obedience, showmanship, agility, and rally-o. Our club got many new kids this year and they were able to show their skills in all the events. Good job to everyone who showed their dog for the first time! And a special thank-you to Stephanie, a parent volunteer. Stephanie got certified to be a dog show judge and judged our agility class. She did amazing and we are so grateful for her! Thank-you also

to the other judges, Anna and Hilary. Everyone did great and we are so excited for our next show.

Making a Difference with Giving the Basics

By: Nathan Delancy, Happy Helpers 4-H Club Reporter

Thirteen members of the Happy Helpers 4-H Club and their families volunteered at Giving the Basics on Wednesday, June 17, 2026. The Kansas-based organization helps

Happy Helpers 4-H Club volunteered at Giving the Basics

provide hygiene items to people throughout the greater Kansas City area. Members helped sort and pack disinfecting wipes, lotion, conditioner, and lip balm. Working together, the club packed nearly 10,000 items during their morning shift.
