Showing Our Talents

By: Colton Tinkey, County Hearts 4-H Club Reporter

This last month, Johnson County 4-H held their yearly county Club Days. The Country Hearts 4-H Club came out to show our talents for the judges! The club performed a skit called “Off to See the Wizard” based on the Wizard of Oz. It was a classic skit and each 4-H'er delivered

their memorized line and decided their prop to display in the skit. We all had a great time, and it was fun to work together. The club members also were able to complete illustrated talks about their projects, as well as project talks and piano solos. The club members enjoyed the day together as a 4-H family.

All in a (Club) Day's Work

By: Nathan Delancy, Happy Helpers 4-H Club Reporter

The Happy Helpers 4-H Club competed in Johnson County 4-H Club Day on Saturday, February 28, 2026 at Pioneer Ridge Middle School in Gardner, Kansas. The club was proud of 100% member participation with the exception of one member who was ill. Members of the club worked together to prepare a skit and worked on it for many weeks leading up to the event. The Happy Helpers were excited to earn Top Purple for their Club Skit and the opportunity to work together to represent Johnson County at Regional Club Day in March. The club had a total of 42 entries resulting in 14 Top Purples, 2 Alternate Top Purples, and many other ribbons. These awards represent many hours of hard work in different project areas. The members are grateful for the opportunities to learn from the constructive feedback of knowledgeable judges and continue to develop their presentation and performance skills.

Reporter's Corner

The Mix-Up Month

By: Sadie Wilkinson, Prairie Moon 4-H Club Reporter

The Prairie Moon 4-H club held its monthly meeting for March as usual but with a twist, the parents and the kids switched places. The parents took on their child's role for the night. The kids got to sit back and relax while the parents were put on the spot. The kids got to make sure the parents followed the proper procedures and didn't cut corners. Our president Colton was replaced by his dad Jerry who got to run the meeting. He called things to order and kept the meeting moving along. Our historian Alyssa's mom Tammy, stepped in and helped out with secretary duties, she took role call and gave our report from last month. Other parents that filled in for their kids were: Alley & Chris filled in for August in leading the pledges and as song leader. Jeff filled in for his daughters Janessa and Kenna by leading the pledges and doing the health and safety report. Gavin and Aubrey's dad, Dennis, filled in as wit and wisdom and gave us a couple jokes while also sitting in for vice president. My mom, Allison, also filled in for myself and my brothers Dallas & Wyatt; she gave my reporters report and a parliamentary report, we skipped recreation since we had a club dinner first. Next month things will settle and everyone will return to their positions....hopefully.

Great Plains at Club Day!

By: Isabella Yeung, Great Plains 4-H Club Reporter

Fun times at Club Day! The Great Plains 4-H Club received 47 ribbons at County Club Day! And 19 qualified for Regionals! The club members were able to perform in a play, a group dance, and many individual talks and events. Club Day is a great way to practice public speaking, learn from others, and achieve goals. This day is

always a highlight to the 4-H year and many of our members like to participate.
