Invitational Dog Show

By: Brooklyn Walters, Johnson County 4-H Dog Club Reporter

Saturday, July 11th the Dog Club hosted our invitational dog show. We had several teams enter from other counties. Everyone should be proud of their hard work. The Dog Club also ran a concession stand during the show to help raise money for our club; this is always a great success. Thank you to our four judges that day, Malia, Cynthia, Bentley and Stephanie. Also, thank you to the many other volunteers that help make our shows run smoothly.

Fair Week!

By: Brooklyn Walters, Johnson County 4-H Dog Club Reporter

The dog show starts off the week of the Johnson County fair. Sunday was the showmanship and obedience show. Monday was the rally-o and agility show. The Dog Club worked the 4-H food stand Thursday, this is always one of our favorite things to do. Several members of our club sold items in the project auction this year, it was a fun experience! Saturday we walked with our dogs in the parade. We made rings of fire out of hula hoops for the dogs to jump through to go with the fair theme this year. Overall, it was a super fun and exciting week and we can't wait for next year!

Bringing in All Kinds of Trend Setters to Walk the Stage

By: Isabella Yeung, Great Plains 4-H Club Reporter

The Johnson County 4-H Fashion Revue had members from different clubs participate in showing off their modeling skills and talents. This special night was held on Thursday, July 23, bringing in family members and friends to come watch each 4-H member. Each person who participated in

the fashion revue got a moment to shine on the stage wearing either a purchased or sewed garment that they made to fit their style. The night was filled with fun and exciting moments, not just for the members modeling but also for the audience to enjoy! Many of the 4-H members came from the Great Plains 4-H club. These members modeled across all categories of Construction, Under \$20, and Buymanship. It was a pleasure seeing each one model on the stage!

Great Plains 4-H Club members at Fashion Revue
Judging on Saturday, July 18th

Legos Club Meeting

By: Colton Tinkey, Country Hearts 4-H Club Reporter

Country Hearts 4-H Club hosted a Legos meeting for our members. We went to a local Legos brick store in Overland Park. One great thing about brick stores is they allow you to come in and host a meeting in their store for free! We started the meeting by reviewing the fair handbook to discuss requirements for our exhibits. We then took turns asking questions from members who have exhibited in the fair during previous years to find out how to make sure we label our exhibits correctly. The last half of our meeting we were able to go through the large containers of Lego bricks looking for last-minute pieces for our designs for the fair. It was so much fun and we hope to have future meetings next year at some of the Lego brick stores in Kansas City!

4-H Parade with the Country Hearts 4-H Club

By: Colton Tinkey, Country Hearts 4-H Club Reporter

Country Hearts 4-H Club participated in the 2026 Parade at the Johnson County Fair. We always love being apart of the parade and were excited to show off our new club shirts! We highlighted the sides of the trailer with banners our club made for previous 4-H fairs. We also decorated the trailer with green clovers and garland that we used for our club skit at Club Days. The club members gave out candy along the parade route. We also walked with some of our parents along the route. We had so much fun and can't wait to start a new 4-H year soon!

4-H Project Auction with the Country Hearts 4-H Club

By: Colton Tinkey, Country Hearts 4-H Club Reporter

Country Hearts 4-H Club participated in the 2026 4-H Project Auction at the Johnson County Fair. This auction is yearly after the fair to help 4-H'ers show off their exhibits and also sell their projects to the community. It is open to all the community to come and help support 4-H'ers. Some club members said their favorite part of the auction is to see how the community comes together to support 4-H'ers. Another club member said they love being able to have the opportunity to show off their exhibits to the community. Another member said that it is fun to hear Ron, the auctioneer, talk really fast and help the 4-H'ers feel comfortable walking in front of such a large crowd! We are all so thankful for the opportunity to sell our projects and also use the money to help fund future project exhibits for the next year.
