Country Hearts 4-H Club Update: Happy 30th Birthday!

By Colton Tinkey, Country Hearts 4-H Club Reporter

This year, Country Hearts 4-H Club celebrated their 30th birthday! The club voted to celebrate with current and alumni members at a fun location. We gathered at Main Event on Monday, October 20th to play games and activities as a club. After much fun at Main Event, we followed up with the celebration at Sweet

Thang with ice cream of all flavors. We were able to relax and talk about our fun adventures in 4-H. We look forward to another 30 years of 4-H fun!

48 Hours of Lasagna Love

By Nora Holt Bustamante, Oxford Hustlers 4-H Club Reporter

Our club gathered donations and supplies for Lasagna Love during 48 hours of service weekend. Then, on Sunday, October 26th, from 4 to 6 p.m., nine of the Oxford Hustlers 4-H Club members got together in the big kitchen at the same place we have our meetings, to do something extra kind and amazing for our community—we made thirteen huge lasagnas for a neat place called Lasagna Love. Lots of families in our club donated money, and many sponsored lasagnas so we could get all the ingredients and supplies we needed. It felt like a giant group cooking party, only it was also helping people who really needed a nice hot meal also.

On the day of the event, I was able to report live with first hand interviews. First, I interviewed Heather:

How do you feel about this event?: I think it's a good way to help people.

Next, I interviewed Victoria:

Do you think this will be an exciting event? Yes, this is one of my favorite service projects and I love how we have incorporated Lasagna Love into 48 hours of service.

Thank you, Victoria. Next, I spoke with Matt:

How does it work? Making Lasagna makes me feel good because I know it's going to people that really need it.

Thank you, Matt

This is the Oxford Hustlers Club's fourth year to participate in Lasagna Love. Our leader, Sarah Cooley, provided more information about Lasagna Love. “Lasagna Love strives to provide relief, hope, and connection through the simple yet profound gesture of a warm meal”. Chefs, like us, make meals for families going through tough times.

In the end, everyone worked together—mixing cheese, layering noodles, spreading sauce, and wrapping the trays so they were ready to be delivered. It smelled mighty tasty in the kitchen!

Morning Glory 4-H Club Update

By Aubrey & Bennie Schneider, Morning Glory 4-H Club Reporters

The Morning Glory 4-H Club kicked off the 2025-2026 4-H year with a fun fall meeting! We had a spooky pumpkin carving contest and enjoyed a pizza party together. Our meeting was held in the Grange Building on the JoCo fair grounds at 6:30pm. The business meeting portion was held that same night and was led by our new officers following their installment. We ended the evening with Frankenstein and Pumpkin floats organized by our activities committee. We are all excited for the new year!

Savannah E. was very proud of her “cow calf pair” which was our painted pumpkin contest winner.

Macoy B., the winner of the best “carved” pumpkin, was so excited to pose with his pumpkin.

New Officer Installation!
