## **Holiday Fun Takes Over the Great Plains 4-H Club** **December Meeting**

By: Isabella Yeung, Great Plains 4-H Club Reporter

The Christmas December meeting for the Great Plains 4-H Club was a fun, festive night! The meeting was held on Thursday December 4th. To begin the evening, the Great Plains 4-H Club had a potluck dinner, and the Christmas committee energized the crowd and kicked off a few games before the regular business meeting. Afterwards our club leaders recognized our club's achievements for this past year and all the accomplishments made. We then resumed into some festive Christmas games like decorating a 4-H'er as a Christmas tree, a mini-improv show centered around the Christmas story, and karaoke! To mix things up and encourage interaction, members switched tables during the evening providing mingling amongst both returning and new 4-H'ers. Everyone also enjoyed a selection of treats and a hot cocoa bar!
