4-H Out and About

By: Nathan Delancy, Happy Helpers 4-H Club Reporter

The Happy Helpers 4-H Club represented Johnson County 4-H with a display at the Olathe Tractor Supply Company on Saturday, April 5, 2026. It was a pleasant day for club members to showcase their projects. A wide variety of project areas were represented including: Ceramics, Entomology, Foods & Nutrition, Fiber Arts, Performing Arts, Photography, Sewing & Textiles, STEM, Visual Arts, and Woodworking. Club members interacted with customers answering questions about 4-H and helping carry bags for the elderly. Happy Helpers 4-H Club is thankful for the opportunity to talk to more members of the community about the opportunities available through Johnson County 4-H.

Morning Glory April Meeting Recap

By: Bennie Schneider, Morning Glory 4-H Club Reporter

The Morning Glory 4-H Club meeting was called to order on Monday, April 27th at 6:30 PM at the Gardner Grange Building. Attendance was taken, and members answered the roll call question: "How do you like to spend a rainy day?" Sammy H. shared safety tips on how to stay safe if a tornado occurs while traveling. This was a helpful reminder to always be prepared and aware of weather conditions. Theresa D. gave a demonstration on how to make a book light. She explained the steps clearly and showed how simple materials can be used to create something useful. Zelig D. presented a speech about her rabbit project. She shared what she has learned and gave great information about caring for rabbits. The meeting was informative and enjoyable, with members learning new skills and important safety information.

A Look Inside our 4-H Ceramics Classes

By: Isabella Yeung, Great Plains 4-H Club Reporter

The Great Plains 4-H club members have enjoyed taking ceramic classes offered by Ms. Addie Luaen for many years now. Ceramics class is a great way to be creative and make your own style whether it's through painting your own figurine or shaping your own vase. Ms. Addie teaches classes out of her home studio in Olathe. Everyone enjoys her as a teacher as much as she enjoys teaching everyone. Keep an eye out for our ceramic creations at the fair!
