Invitational Dog Show

By: Brooklyn Walters, Johnson County 4-H Dog Club Reporter

Saturday, July 12th the JoCo 4-H Dog Club hosted our annual invitational show at the Johnson County fairgrounds. The events for the day were obedience, rally-o, showmanship and agility. We welcomed other 4-H'ers and their dogs from other counties. Everyone did so good! You can tell everyone has worked hard with their dogs. We want to thank the four judges for their time and tips for future success at shows. And an especially big thank you to the VandenHull family who are moving, they have been a great help and addition to our club the last couple of years! We gifted them a scrapbook with personalized pages from each member.

Prairie Moon at the Johnson County Fair Parade

By Alyssa Coultis, Prairie Moon 4-H Club Reporter

On August 2nd, Prairie Moon 4-H club participated in the Johnson County Fair parade. They built a Wizard of Oz themed float and won first place with their design in the float competition.

Johnson County 4-H Horse Club

By Izzy Martinez, Johnson County 4-H Horse Club Reporter

The 2025 Johnson County Fair was so much fun for the Horse Club! The club started the week with Rodeo Royalty and Speed events on Monday, July 28th. Madison S. was crowned the 2025 Johnson County Fair Rodeo princess, and Izzy M. was crowned the 2025 Johnson County Fair Rodeo Queen. On July 29th, the club participated in their performance events, which was a long and hot day! The club had awards on July 30th, and then they all went to watch the Rodeo together on July 31st. The club participated in the parade on August 2nd, getting to decorate the float in the Wizard of Oz theme! Everyone had such an amazing time doing club activities, and just getting to hang out together throughout the week. So many new memories were made, and the club cannot wait to make even more these next years.

The Oxford Hustlers 4-H Club Follows the Yellow Brick Road to the Johnson County Fair

By: Victoria Olberding, Oxford Hustlers 4-H Club Reporter

The Oxford Hustlers 4-H Club had a great time at this year's Johnson County Fair! The club started things off by making a club banner! Club members came up with a design idea, and each club member made a shoe to represent a project you can enter in the fair. Next, the club participated in the Johnson County Fair Parade! The club chose to decorate the float with poppies and a yellow brick road. 4-H members had fun waving at everyone along the parade route. After the parade, the club had a Project Tour in the 4-H building. They enjoyed walking around as club members showed them their projects and shared all the hard work that went into completing them. The club also helped with fairgrounds set-up, working the 4-H concessions stand, and with fairgrounds clean-up. In addition, club members had many individual entries in numerous different projects and participated in other events throughout the fair! Congratulations on such a successful fair, Oxford Hustlers!

Morning Glory 4-H Club Updates

By Jack Hogan, Morning Glory 4-H Club Reporter

The 4-H Morning Glory Club made a phenomenal showing at this year's county fair. Our members took home ribbons and trophies from a wide variety of projects as well as animals. Titus L. won Best First Year in the youngest lot of Rocketry, in addition to Grand Champion for his Project Talk.

One of our seniors took Grand Champion in Welding, with an incredible 410 hours of work to create "Iron Hide". He's since had great interest from the community for his custom-made welding designs.

Liddy W., pictured here with her brother, Jack, received Reserve Champion Best in Show Rabbit with her very own Palomino doe. This is just a small glimpse into the amazing things we're doing here at Morning Glory 4-H Club.
