## Special Awards Program

The Kansas 4-H International Exchange Program provides opportunities for 4-H members to build skills and knowledge in global citizenship. The mission of the program is to help young people and their families understand the importance of knowing about other countries and their cultures, instill positive cross-cultural attitudes and skills that enhance mutual understanding and acceptance of all people, expand the opportunities for young people to experience global citizenship responsibilities in today's interdependent world, increase life skills of self-esteem and confidence through adapting to new situations, learn languages and communication skills, and increase global awareness.

This year we recognize the Boase, Chaffee-McClure, Lang, White and William families for welcoming Japanese Exchange Students.

### I Dare You

The I Dare You award recipient receives the National Leadership Award (NLA). It was established to recognize extraordinary young people for their character and leadership potential. Club and Member Awards and Recognition

Club Seal

4-H Club Charter Seals of Achievement are a means to recognize 4-H clubs with valid charters for reaching levels of achievement related to club organization and participation. A seal is awarded to a 4-H club each year requirements for a seal are met. The seals, ranked in ascending order of difficulty, are: white, red, blue, and purple. 4-H clubs may try for any seal without regard to the seals previously received.

Club Leaders

Each Johnson County 4-H club should have at least two club leaders. These volunteer leaders dedicate a lot of time making sure that all the club’s needs are met. Johnson County 4-H clubs would not be possible without these wonderful volunteers.

Membership Pins

Membership pins are designed to recognize youth for achieving a certain level of participation in the 4-H program. This is not a competitive process. All youth who complete an application and whose application is judged as complete will receive a recognition pin. Please reference the pin guide on the back of the program.

Officer Pins

Depending on the office, 4-H’ers will be required to attend a certain number of meetings or complete an officer book to receive this award. Officers are elected in their club at the beginning of each year. Please reference the pin guide on the back of the program.

4-H Medallions

A Project Report is done on one specific 4-H project and highlights all the great work a 4-H’er does in the project over the course of the 4-H year. A Project Report includes goals, project experiences, leadership and citizenship experiences, awards and recognition, non-4-H related leadership and citizenship that pertains to the project, and photographs. 4-H’ers receiving a 4-Leaf Medallion completed the Project Report to receive this award and range from the age of 7 to 13 years old.

Leader Pins

These pins are to recognize project leaders and other volunteers within the club. Their first year and then in 5 year increments leaders are recognized for their years of service.

Inbound Exchange Host Family

States' 4-H International Exchange Programs (S4-H) collaborates with participating states (including Kansas) in coordinating 4-H exchanges for 4-H members 12-18 years old with partner organizations. Current partner organizations include Labo and LEX in Japan; National 4-S Foundation of Costa Rica; Norske 4H; and Korean 4-H.
