A Project Report includes goals, project experiences, leadership and citizenship experiences, awards and recognition, non-4-H related leadership and citizenship that pertains to the project, and photographs. 4-H'ers receiving a 4-Leaf Medallion completed the Project Report to receive this award and range from the age of 7 to 13 years old.*

# Club and Member Awards and Recognition

## Club Seal

4-H Club Charter Seals of Achievement are a means to recognize 4-H clubs with valid charters for reaching levels of achievement related to club organization and participation. A seal is awarded to a 4-H club each year requirements for a seal are met. The seals, ranked in ascending order of difficulty, are: white, red, blue, and purple. 4-H clubs may try for any seal without regard to the seals previously received.

## Club Leaders

Each Johnson County 4-H club should have at least two club leaders. These volunteer leaders dedicate a lot of time making sure that all the club's needs are met. Johnson County 4-H clubs would not be possible without these wonderful volunteers.

## Membership Pins

Membership pins are designed to recognize youth for achieving a certain level of participation in the 4-H program. This is not a competitive process. All youth who complete an application and whose application is judged as complete will receive a recognition pin.

## Officer Pins

Depending on the office, 4-H'ers will be required to attend a certain number of meetings or complete an officer book to receive this award. Officers are elected in their club at the beginning of each year.

## Leader Pins

These pins are to recognize project leaders and other volunteers within the club. Their first year and then in 5 year increments leaders are recognized for their years of service.

## Camp Counselors

In Rock Springs Ranch's new Counselor in Training (C.I.T.) Camp, teens ages 16 to 17 are given responsibility over a group of younger campers from breakfast to bedtime. The teens receive camper care training and counselor experience, but they also have "camp" time with their peers built into each day. The C.I.T. program is a fun and wonderful way to explore what it means to be a beginning leader and a mentor.

## Inbound Exchange Host Family

States' 4-H International Exchange Programs (S4-H) collaborates with participating states (including Kansas) in coordinating 4-H exchanges for 4-H members 12-18 years old with partner organizations. Current partner organizations include Labo and LEX in Japan; National 4-S Foundation of Costa Rica; Norske 4H; and Korean 4-H.
